

Grassland Dairy Products, Inc. has been a leading manufacturer of butter and dairy ingredients since 1904 and is looking to add Maintenance Technicians to our team in Greenwood, WI. With additional facilities across Wisconsin, Nebraska and Utah, Grassland is a key player in the dairy industry dedicated to producing high quality products while maintaining a positive work environment for a driven, talent-filled team of employees.

A Maintenance Technician ensures operation of machinery and mechanical equipment by completing preventive maintenance requirements on engines, motors, pneumatic tools, conveyor systems, and production machines; following diagrams, sketches, operations manuals, manufacturer's instructions, and engineering specifications; troubleshooting malfunctions.

Essential Duties and Responsibilities:

- Follow and comply with applicable good manufacturing, safety, and quality assurance practices.
- Performs mechanic skills including, but not limited to, mechanical, electrical, pneumatic and hydraulic troubleshooting and repair of packaging and production machines
- Locates sources of problems by observing mechanical devices in operation; listening for problems; using precision measuring and testing instruments.
- Perform preventative maintenance
- Powered industrial vehicle operations which may include forklifts, scissor lifts, and floor scrubbers.
- On occasion may need to backfill to other positions/departments as needed.
- Other duties as assigned by the supervisor.

Knowledge, Skills, and Abilities:

- Attention to detail and good organizational skills.
- Ability to adapt effectively within a continually changing and demanding environment.
- Basic understanding of equipment operations, and minor troubleshooting ability.
- Must be able to demonstrate an ability and willingness to communicate effectively in order to maintain high levels of safety, quality, and efficiency.
- Ability to read and comprehend standard operating procedures and company guidelines in order to maintain regulatory compliance.
- Able to obtain licenses for and operate powered industrial equipment at a safe level.
- Knowledge of HMI (Human/Machine Interface) systems.
- Basic understanding of 120/240VAC electrical systems and low voltage DC and control wiring.
- Must be able to climb ladders and work from heights.
- Demonstrate the Qualified Individuals responsibilities for the Preventative Control - Cleaning and Sanitation Program.

Education and Experience:

- Minimum of high school diploma or equivalent
- Industrial, construction, and/or mechanical experience a must.

Above the Rest Benefits:

- Competitive compensation and weekly pay period.
- Weekend double time pay and shift premiums.
- Zero premium, company-paid health, dental and life insurance.
- Short-term disability.
- Profit sharing plan with 401(k) enhancement, matched.
- On-site health care and wellness initiatives.

Grassland Dairy Products, Inc. provides equal employment opportunities (EEO) to all employees and applicants for employment without regard to race, color, religion, sex, national origin, age, disability or genetics. In addition to federal law requirements, Grassland complies with applicable state and local laws governing nondiscrimination in employment in every location in which the company has facilities. This policy applies to all terms and conditions of employment, including recruiting, hiring, placement, promotion, termination, layoff, recall, transfer, leaves of absence, compensation and training.
