

Grassland Dairy Products, Inc. has been a leading manufacturer of butter and dairy ingredients since 1904 and is looking to add Plant Sanitation Technicians to our team in Greenwood, WI. With additional facilities across Wisconsin, Nebraska and Utah, Grassland is a key player in the dairy industry dedicated to producing high quality products while maintaining a positive work environment for a driven, talent-filled team of employees.

The Plant Sanitation Technician works within the Quality Control Department to maintain the facility's master sanitation list and aid in the prevention of cross contaminations by performing housekeeping duties including but not limited to the sanitation of plant equipment, process piping, floors, and walls.

Essential Duties and Responsibilities:

- Comply with applicable good manufacturing, safety and quality assurance practices.
- Use of chemicals to clean, foam and sanitize equipment, floors and walls
- Handling and use of hazardous chemicals including Acids, Chlorines, & Caustics.
- Testing of Chemical Strengths.
- Visual inspection of equipment.
- Completion of duties outlined in the master sanitation checklist.
- Maintain proper documentation in all formats of recordkeeping in a legible manner

Knowledge, Skills, and Abilities:

- Exceptional attention to detail and strong organizational skills.
- Ability to adapt effectively within a continually changing and demanding environment.
- Must be able to demonstrate an ability and willingness to communicate effectively in order to maintain high levels of Safety, Quality and Efficiency.
- Ability to read and comprehend standard operating procedures and company guidelines in order to maintain regulatory compliance.
- Must be able to work from heights utilizing aerial lifting equipment.
- Must be able to operate powered industrial equipment such as floor scrubbers, forklifts, scissor lifts, etc.
- Must be able to work with cleaning chemicals.
- Must be able to work in areas of high heat and cold.
- Demonstrate the Qualified Individuals responsibilities for the Preventative Control - Cleaning and Sanitation Program.

Education and Experience:

- High School Diploma or General Education Degree (GED).
- Must maintain applicable certifications for powered industrial vehicles.

Above the Rest Benefits:

- Competitive compensation and weekly pay period.
- Weekend double time pay and shift differentials.
- Zero premium, company-paid health, dental and life insurance.
- Short-term disability.
- Profit sharing plan with 401(k) enhancement, matched.
- On-site health care and wellness initiatives.

Grassland Dairy Products, Inc. provides equal employment opportunities (EEO) to all employees and applicants for employment without regard to race, color, religion, sex, national origin, age, disability or genetics. In addition to federal law requirements, Grassland complies with applicable state and local laws governing nondiscrimination in employment in every location in which the company has facilities. This policy applies to all terms and conditions of employment, including recruiting, hiring, placement, promotion, termination, layoff, recall, transfer, leaves of absence, compensation and training.
